THE ROSE MEMORIAL GARDEN

The Rose Memorial Garden is at Bellevue Park near the greenhouses. The garden has several displays with engraved brass plaques in memory of loved ones who have passed away. For \$20, you can order a plaque set (one with the loved one's name and one with the donor's name), and we will mount them on one of the displays. Plaques are mounted once a year usually in the fall.

The Sault Ste. Marie Horticultural Society greatly appreciates your support and emphasizes that your donations are dedicated to the Rose Program and used specifically for rose purchases when required, for construction and maintenance of the boards, and for site maintenance. Donations above the \$20 are kept in the Rose Memorial Garden Fund. You will be sent a letter of acknowledgement and a Memorial Card.
