THE ROSE MEMORIAL GARDEN SPECIAL OCCASION TRIBUTE

The Rose Memorial Garden is at Bellevue Park near the greenhouses. The garden has a Tribute Display with engraved brass plaques in honour of a special anniversary, birthday, retirement or contributions to the community. For \$20, you can order a plaque set (one with the honoured person(s) name and one with the donor's name(s), and we will mount them on the Tribute Display. Plaques are mounted once a year in the fall.

The Sault Ste. Marie Horticultural Society greatly appreciates your support and emphasizes that your donations are dedicated to the Rose Program and used specifically for rose purchases when required, for construction and maintenance of the boards, and for site maintenance. Donations above the \$20 are kept in the Rose Memorial Garden Fund. You will be sent a letter of acknowledgement.
